

DISCOVER YOUR KINGDOM EXPRESSION

Normal life. Kingdom eyes.

A Kingdom Expression is the ordinary context where you intentionally live as a disciple and missionary of Jesus - with the people already around you, in the places you already go, doing the things you already do, using what you already have, responding to the needs and opportunities in front of you.

YOUR KINGDOM EXPRESSION IS...

who you are + who you are with + where you are + what you do + what you have + what you notice

ANSWER THE SIX QUESTIONS

Be specific. Names, places, rhythms and recurring needs are more useful than general categories.

1

PEOPLE

Who are the people with whom you spend significant, recurring time?

Family members, coworkers, friends, neighbors, teams, affiliations

2

PLACES

Where are the places you already spend significant, recurring time?

Work, home, neighborhood, school, coffee shop, gym, club, public spaces

3

ACTIVITIES

What activities are you already enjoying or doing frequently?

Work rhythms, hobbies, sports, recreation, family activities, volunteering

4

RESOURCES

What resources do you already have that could be leveraged for Kingdom influence?

Home, money, schedule, free time, skills, tools, vehicle, boat, listening ears

5

NEEDS

What pain, injustice, loneliness, brokenness or opportunity do you regularly notice?

Think about recurring needs among the people and places already around you

6

BELOVED

Who are other followers of Jesus with whom you share some of these answers?

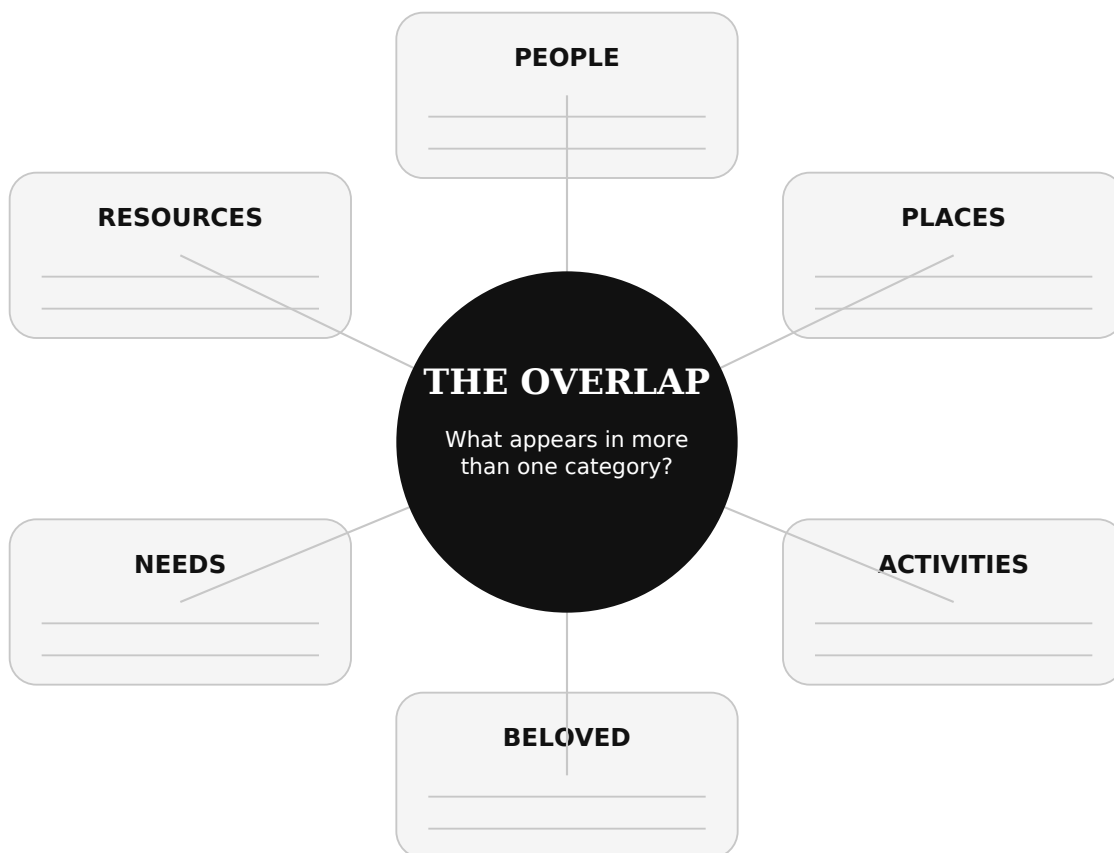

They do not have to attend your church or share your denomination

FIND THE OVERLAP

Pay attention to what appears in more than one category.

Look back at your answers. Circle repeated names, places, activities, resources, needs, and people. Those intersections may reveal where Jesus is already inviting you to participate.
